The total distance covered was 3,825 miles.

ANNOUNCEMENT

JULY 1st, 1905, we will open and thereafter conduct, in the same conservative way that we have our other banking business for the past fifteen years, a

SAVINGS DEPARTMENT

And pay 2% interest per annum upon all money deposited in that department, subject to the rules and regulations, which will be furnished on application.

The other branches of our business will be conducted as heretofore, and this Department is added in order that we may be able to meet every requirement of the banking business, which it is our earnest desire to do.

If you wish to keep a commercial bank account, a savings account, make an investment, have a note collected or discounted, want a draft or any other accommodation that a Bank can render, you come in and see us and be assured that it will afford us pleasure to accommodate you.

We are now fully equipped for every branch of safe and conservative banking, and would like to have you do some business with us.

If there is anything about our new Department that you don't understand, come in and we will cheerfully explain it to you.

Respectfully,

MITCHELL, FINCH & CO.'S BANK.

SAVED FROM DROWNING

Wife of the Rev. S. G. Bettes Has Thrilling Experience

Mrs. Mary H. Bettes, wife of Rev. S. G. Bettes, a Methodist Minister, was saved from drowning by her husband Friday morning at Anderson's Ferry, below Cincinnati.

Mrs. Bettes, while on her husband's yacht, fell overboard completely helpless. Her daughter was the only one who saw it and screamed for her father, who plunged into the stream.

The yacht was anchored some distance from the shore, and the current being swift it took the Minister several minutes to reach his wife. He had much difficulty in locating her as she went under the waves, only to reappear further down stream.

By skillful swimming he finally overtook her and, once within reach, he grabbed her by the clothing and swam ashore. She was revived and found to be all right.

Rev. Mr. Bettes is a traveling Minister and is on his way to Panama to do missionary work along the new canal. He, with his family, left the Little Kanawha river in West Virginia several months ago and en route down the Ohio spent a few days in this city.

Twenty-four men were killed, seventeen were injured and fifty-five horses were hurt by the explosion of the bomb aimed at the Sultan of Turkey. It is believed to have been the work of Hungarians.

The big blast of dynamite removing Henderson's Point from the Piascatagua river at Portsmouth, N. H., was discharged Saturday. Chief Engineer Gregory of the Navy Department pronounced the explosion a complete success.

An official autopsy held on a patient who died in New Orleans Saturday has disclosed that the disease was yellow fever. The State Board of Health has arranged for a detention hospital, and has notified the health authorities in other states of the presence of the disease.

The casualties resulting from the boiler explosion on the gunboat Bennington may number as many as 125. The cause of the disaster is still unknown, but the men who were injured say that for months past it has been the talk of the ship that the boilers were defective.

Auditor Hager declares that State Revenue Agent Frank A. Lucas has no authority to make collections of back taxes on land mortgage notes. Lucas affirms that he has full authority to make such collections, and that the Auditor's attitude arises from personal spite.

Claiming that James Smith of Middlesboro attacked him with a beer bottle because he sought to protect a small boy who was being roughly handled by Smith, John Golden emptied the contents of a shotgun into the heart of his assailant, death resulting instantly. Golden has surrendered to the authorities.

The engagement of Miss Corinne Blackburn, daughter of Senator Blackburn, to W. H. Gale of New York, is announced. The marriage will take place early in the fall.

ONLY ONE.

The Record in Maysville is a Unique One.

If the reader has a "bad back" or any kidney ailment and is looking for relief and cure, better depend on the only remedy endorsed by people you know. Doan's Kidney Pills relieve quickly—cure permanently. Maysville citizens testify to this. Here is a case of it:

Henry Bertram, shoemaker, 27 East Third street, Maysville, Ky., says:

"I believe everybody in Maysville has read in the papers the testimony I gave in March, 1900, about Doan's Kidney Pills, for I have been asked again and again by residents of this town if that statement were true. For the benefit of persons who may now be suffering from forms of kidney trouble I repeat my testimony. Before I got Doan's Kidney Pills at J. Jas. Wood & Son's Drugstore I had suffered for some time with backache and a tired feeling and having aching in and about the kidneys. Being a shoemaker, I thought my trouble was caused by my work, for every time I took cold it settled in my back, but Doan's Kidney Pills quickly rid me of the trouble, and never from that time to this have I had any cause to complain of my back or kidneys. Doan's Kidney Pills perform exactly what they promise, and to be honest with you, I will say that, in my opinion, there is no remedy for kidney disorders equal to Doan's Kidney Pills."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitutes.
